Welcome to Amfit

Amfit, Inc. is the world's premier provider of state of the art computerized custom foot orthotic equipment, products, and services. Our company offers cutting edge design software, fabrication technology, superior custom orthotics, and unsurpassed customer service. With more than two decades of field experience, our equipment is proven with hundreds of systems installed worldwide.

Clinicians such as Podiatrists, Orthotists, Certified Pedorthists, Physical Therapists, and Chiropractors rely on Amfit to provide the best-fitting foot orthotics for their patients. Our success is directly related to our commitment to our customers by providing them with the tools to build their practice. The result is the absolute best technology in the custom orthotic industry.

Central Fabrication

Give us your data; we'll do the fabrication work. Fast turnaround, little effort.

Diabetic Program

Custom tailored A5513 diabetic inserts that won't break the bank.

In-House Fabrication

Produce orthotics in-house to your own specifications.

Off-the-shelf Insoles

The best tailored insole to fit and support your client's feet.
